A blurry, nighttime photograph of a person riding a bicycle on a wet street. The cyclist is wearing a white helmet and dark clothing. The background is dark and out of focus, showing some buildings and streetlights.

so to make it right the production and creativity are very important here

Our guiding principles

WHY

Attracting talent from all over the world to create a better future and help the region and employers reach their vision.

HOW

- Building knowledge and providing thought leadership within talent attraction and retention
- Identifying and addressing the needs/challenges of talent and employers
- Collaborating with relevant stakeholders to develop solutions
- Showcasing how talent can build their desired life in our region

WHAT

- We influence policy to improve the conditions for international talent and recruiting employers
- We support employers and organisations to attract and retain international talent
- We design and communicate the total package of an attractive region, leading clusters and exciting job opportunities
- We provide tools, services and activities that support talent in their settlement process

Processen för att attrahera och ta emot internationell kompetens

- Talanger som ambassadörer
 - Enkel process för de som lämnar
 - Upplevelsen av tidigare steg bygger bilder

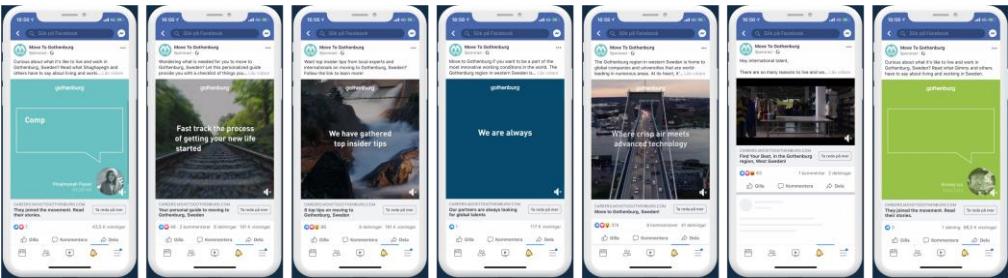

- Både arbete och fritid är viktigt
 - Boende är centralt för att vi ska vara attraktiva
 - Att hjälpa medföljande är av stor vikt för att behålla kompetensen som rekryterats
 - Utbudet av internationell skola/förskola är avgörande för de som har barn.

- Helheten är det som attraherar: Utvecklade jobb, intressant arbetsgivare, starka kluster och attraktiva levnadsförhållanden
 - Kampanjer mot nischade målgrupper tydlig trend

- En tydlig och effektiv myndighetsprocess
 - Personnumret är nyckeln till mycket
 - En samlad plats och process för myndigheter och regionala aktörer skapar stor nytta.
